

FAQ — Booking & Scheduling

Answers to the most common questions about appointments, windows, and reminders.

How far in advance can I book?

Up to 60 days. Same-day slots are available before 11 am for Gold and Platinum members, or before 9 am for standard customers.

Can I request a specific technician?

Yes — use the preferred_tech field when booking. Availability is not guaranteed; the system will notify the customer if the preferred tech is unavailable.

How long does a typical visit take?

Service Type	Typical Duration
HVAC tune-up	60 – 90 min
HVAC diagnostic	45 – 60 min
Plumbing service call	60 – 120 min
Electrical inspection	60 – 90 min
Full system install	4 – 8 hours

Will I get a reminder?

Yes — automated SMS and email reminders are sent 24 hours before the appointment and 30 minutes before the technician departs.

What is the appointment window?

All appointments use 2-hour windows (e.g., 10 am – 12 pm). The technician sends an ETA when en route.
