

FAQ — Emergencies & After-Hours

What qualifies as an emergency, how to request urgent service, and SLA targets.

What Counts as an Emergency?

- Active water leak or flooding
- No heat when outdoor temperature is forecast below 40°F
- No cooling when indoor temperature exceeds 95°F
- Electrical hazard: burning smell, sparking, or partial power loss
- Sewage backup

How to Request Emergency Service

Call 1-800-555-0190 (24/7). Do NOT use the web booking portal for emergencies — response is not guaranteed through that channel.

Emergency Response Time SLA

Member Tier	Target ETA
Platinum	2 hours or less
Gold	3 hours or less
Silver / Non-member	4 hours or less (best effort)

After-Hours Surcharges

See the HVAC and Plumbing pricing documents for full surcharge details. Emergency dispatch fees (\$99 plumbing, \$89 HVAC) are not waived for after-hours calls.
